3 "Section 1. Subsection (a) of section 10a-224 of the general statutes is
4 repealed and the following is substituted in lieu thereof (*Effective July*
5 *1, 2007*):

6 (a) There is created a body politic and corporate to be known as the
7 "Connecticut Higher Education Supplemental Loan Authority". The
8 authority is constituted a public instrumentality and political
9 subdivision of the state and the exercise by the authority of the powers
10 conferred by this chapter shall be deemed and held to be the
11 performance of an essential public and governmental function. The
12 powers of the authority shall be vested in and exercised by a board of
13 directors which shall consist of eight members, one of whom shall be
14 the State Treasurer, one of whom shall be the Secretary of the Office of

15 Policy and Management and one of whom shall be the Commissioner
16 of Higher Education, each serving ex officio, and five of whom shall be
17 residents of the state appointed by the Governor, not more than three
18 of such appointed members to be members of the same political party.
19 Three of the appointed members shall be active or retired trustees,
20 directors, officers or employees of Connecticut institutions for higher
21 education. [, of whom not more than one shall be from a constituent
22 unit of the state system of higher education.] At least one of the
23 appointed members shall be a person having a favorable reputation for
24 skill, knowledge and experience in the higher education loan finance
25 field, and at least one of such appointed members shall be a person
26 having a favorable reputation for skill, knowledge and experience in
27 state and municipal finance, either as a partner, officer or employee of
28 an investment banking firm which originates and purchases state and
29 municipal securities, or as an officer or employee of an insurance
30 company or bank whose duties relate to the purchase of state and
31 municipal securities as an investment and to the management and
32 control of a state and municipal securities portfolio. Of the three
33 members first appointed who are trustees, directors, officers or
34 employees of Connecticut institutions for higher education, one shall
35 serve until July 1, 1986, one shall serve until July 1, 1987, and one shall
36 serve until July 1, 1988. Of the three remaining members first
37 appointed, one shall serve until July 1, 1983, one shall serve until July
38 1, 1984, and one shall serve until July 1, 1985. On or before the first day
39 of July, annually, the Governor shall appoint a member or members to
40 succeed those whose terms expire, each for a term of six years and
41 until his successor is appointed and has qualified. The Governor shall
42 fill any vacancy for the unexpired term. A member of the board shall
43 be eligible for reappointment. Any member of the board may be
44 removed by the Governor for misfeasance, malfeasance or wilful
45 neglect of duty. Each member of the board before entering upon his or
46 her duties shall take and subscribe the oath or affirmation required by
47 section 1 of article eleventh of the State Constitution. A record of each
48 such oath shall be filed in the office of the Secretary of the State. The
49 State Treasurer, the Secretary of the Office of Policy and Management

50 and the Commissioner of Higher Education may each designate a
51 deputy or any staff member to represent him as a member at meetings
52 of the board with full power to act and vote on his behalf.

53 Sec. 2. Section 10a-225 of the general statutes is amended by adding
54 subsection (d) as follows (*Effective July 1, 2007*):

55 (NEW) (d) (1) The authority may develop and require the use of a
56 master promissory note for education loans. Each master promissory
57 note shall allow borrowers to receive, in addition to initial education
58 loans, additional education loans for the same or subsequent periods
59 of enrollment. Each master promissory note shall include a provision
60 stating that the note shall be governed by and construed pursuant to
61 the laws of the state of Connecticut.

62 (2) Notwithstanding any provision of the general statutes or any
63 regulation adopted pursuant to said statutes, each education loan
64 made under a master promissory note pursuant to this subsection may
65 be sold or assigned independently of any other education loan made
66 under the same master promissory note and each such loan shall be
67 separately enforceable on the basis of an original or copy of the master
68 promissory note in accordance with the terms of the master
69 promissory note.

70 (3) Notwithstanding any provision of the general statutes, each such
71 master promissory note shall be fully negotiable within the meaning
72 and for all purposes of title 42a, regardless of whether the form and
73 character of such master promissory note qualifies under the terms of
74 the provisions of title 42a.

75 (4) The authority may pledge all or any part of its interest in any
76 such master promissory note or the education loan evidenced by such
77 note as security for any issue of bonds or notes or any other
78 obligations. Such pledge shall be valid and binding from the time
79 when the pledge is made; the interest so pledged by the authority shall
80 immediately be subject to the lien of such pledge without any physical
81 delivery thereof or further act, and the lien of any such pledge shall be

82 valid and binding against all parties having claims of any kind in tort,
83 contract or otherwise against the authority or any participating
84 institution for higher education, irrespective of whether such parties
85 have notice of the lien. Such lien shall have priority over all other liens,
86 including, without limitation, the lien of any person who in the
87 ordinary course of business furnishes services or materials to the
88 authority. Notwithstanding the provisions of title 42a, neither the bond
89 resolution nor any financing statement, continuation statement or
90 other instrument by which a pledge or security interest is created or by
91 which the authority's interest in such master promissory notes is
92 assigned need be filed in any public records in order to perfect the
93 security interest or lien thereof as against third parties. Any outright
94 sale by the authority of any education loan evidenced by such a master
95 promissory note shall be effective and perfected automatically upon
96 attachment as defined in title 42a.

97 Sec. 3. Section 10a-230 of the general statutes is repealed and the
98 following is substituted in lieu thereof (*Effective July 1, 2007*):

99 (a) The authority may from time to time issue revenue bonds for
100 any corporate purpose and all such revenue bonds, notes, bond
101 anticipation notes or other obligations of the authority issued pursuant
102 to this chapter shall be and are hereby declared to be negotiable for all
103 purposes notwithstanding their payment from a limited source and
104 without regard to any other law or laws. In anticipation of the sale of
105 such revenue bonds, the authority may issue negotiable bond
106 anticipation notes and may renew the same from time to time, but the
107 maximum maturity of any such note, including renewals [thereof,] of
108 such notes shall not exceed five years from the date of issue of the
109 original note. Such notes shall be paid from any revenues of the
110 authority available therefor and not otherwise pledged, or from the
111 proceeds of sale of the revenue bonds of the authority in anticipation
112 of which they were issued. The notes shall be issued in the same
113 manner as the revenue bonds. Such notes and the resolution or
114 resolutions authorizing the same may contain any provisions,
115 conditions or limitations which a bond resolution of the authority may

116 contain.

117 (b) The revenue bonds and notes of every issue shall be payable
118 solely out of the revenues of the authority pertaining to the program
119 relating to such bonds or notes including principal and interest on
120 authority loans and education loans, and any other revenues derived
121 from or in connection with any other authority loans and education
122 loans, payments by participating institutions for higher education,
123 banks, guarantors, insurance companies or others pursuant to letters of
124 credit or purchase agreements, investment earnings from funds or
125 accounts maintained pursuant to the bond resolution, insurance
126 proceeds, loan funding deposits, proceeds of sales of education loans,
127 proceeds of refunding bonds and fees, charges and other revenues,
128 funds and other assets of the authority but subject only to any
129 agreements with the holders of particular revenue bonds or notes
130 pledging any particular revenues and subject to any agreements with
131 any participating institution for higher education.

132 (c) The revenue bonds or notes may be issued as serial bonds or
133 notes or as term bonds or notes, or the authority, in its discretion, may
134 issue bonds or notes of both types. The revenue bonds or notes shall be
135 authorized by resolution of the members of the board of directors of
136 the authority and shall bear such date or dates, mature at such time or
137 times, not exceeding the year following the last year in which the final
138 payments in an education loan series portfolio are due, or thirty years
139 from the date of issuance, whichever is sooner, from their respective
140 dates, bear interest at such rate or rates, payable at such time or times,
141 be in such denominations, be in such form either coupon or registered,
142 carry such registration or conversion privileges, be executed with
143 manual or facsimile signatures in such manner, be payable in lawful
144 money of the United States at such place or places, and be subject to
145 such terms of redemption, as such resolution or resolutions may
146 provide. Such resolution or resolutions may delegate to the executive
147 director, assistant executive director or any member of the board of
148 directors of the authority, or any combination of them, the power to
149 determine any of the matters set forth in this section and the power to

150 award the bonds to a purchaser or purchasers at public sale or to
151 negotiate a sale to a purchaser or purchasers. The revenue bonds or
152 notes may be sold for such price or prices as the authority shall
153 determine. Pending preparation of the definitive bonds, the authority
154 may issue interim receipts or certificates which shall be exchanged for
155 such definitive bonds.

156 (d) Any resolution or resolutions authorizing any revenue bonds or
157 any issue of revenue bonds may contain provisions, which shall be a
158 part of the contract with the holders of the revenue bonds to be
159 authorized, as to: (1) Pledging all or any part of the revenues, funds or
160 other assets of the authority, including, but not limited to, the
161 authority loans and education loans to secure such bonds or notes; (2)
162 pledging all or any part of the revenues paid to the authority by any
163 guarantor or insurance company; (3) pledging any revenue-producing
164 contract or contracts made by the authority with any individual,
165 partnership, corporation or association or other body, public or
166 private, or any federally guaranteed security and moneys received or
167 receivable therefrom whether such security is acquired by the
168 authority or a participating institution for higher education to secure
169 the payment of the revenue bonds or notes or of any particular issue of
170 revenue bonds or notes, subject to such agreements with bondholders
171 or noteholders as may then exist; (4) the fees and other amounts to be
172 charged, and the sums to be raised in each year thereby, and the use,
173 investment and disposition of such sums; (5) the establishment and
174 setting aside of reserves or sinking funds, the setting aside of loan
175 funding deposits, capitalized interest accounts, and cost of issuance
176 accounts, and the regulation and disposition thereof; (6) limitations on
177 the use of the education loans; (7) limitations on the purpose to which
178 the proceeds of the sale of any issue of revenue bonds or notes then or
179 thereafter to be issued may be applied, including as authorized
180 purposes, all costs and expenses necessary or incidental to the issuance
181 of bonds, to the acquisition of or commitment to acquire any federally
182 guaranteed security and pledging such proceeds to secure the
183 payment of the revenue bonds, notes or any issue of the revenue bonds

184 or notes; (8) limitations on the issuance of additional bonds or notes,
185 the terms upon which additional bonds or notes may be issued and
186 secured and the terms on which additional bonds or notes rank on a
187 parity with, or be subordinate or superior to, other bonds or notes; (9)
188 the refunding of outstanding bonds or notes; (10) the procedure, if any,
189 by which the terms of any contract with bondholders or noteholders
190 may be amended or abrogated, the amount of bonds or notes the
191 holders of which must consent thereto, and the manner in which such
192 consent may be given; (11) limitations on the amount of moneys
193 derived from the educational program to be expended for operating,
194 administrative or other expenses of the authority; (12) defining the acts
195 or omissions to act which shall constitute a default in the duties of the
196 authority to holders of its obligations and providing the rights and
197 remedies of such holders in the event of default; (13) the duties,
198 obligations and liabilities of any trustee or paying agent; (14)
199 providing for guarantees, pledges of endowments, letters of credit,
200 property or other security for the benefit of the holders of such bonds
201 or notes; and (15) any other matters relating to the bonds or notes
202 which the authority deems desirable.

203 (e) Subject to the approval of the State Treasurer or the Treasurer's
204 deputy appointed pursuant to section 3-12, required under subsection
205 (b) of section 1-124, in connection with, or incidental to:

206 (1) The issuance or carrying of bonds, notes or other obligations of
207 the authority, or the acquisition or carrying of any investment or
208 program of investment, the authority may enter into any contract
209 which the authority determines to be necessary or appropriate to place
210 the obligation or investment of the authority, as represented by the
211 bonds, notes or other obligations, investment or program of
212 investment and the contract or contracts, in whole or in part, on the
213 interest rate, cash flow or other basis desired by the authority,
214 including, without limitation, contracts commonly known as interest
215 rate swap agreements, forward payment conversion agreements,
216 futures or contracts providing for payments based on levels of, or
217 changes in, interest rates, stock or other indices, or contracts to

218 exchange cash flows or a series of payments, or contracts, including,
219 without limitation, interest rate floors or caps, options, puts or calls to
220 hedge payment, rate, spread or similar exposure or contracts for the
221 purchase of option rights with respect to the mandatory tender for
222 purchase of bonds, notes or other obligations of the authority, which
223 are subject to mandatory tender or redemption, including the issuance
224 of certificates evidencing the right of the owner to exercise such option
225 rights. Such contracts or agreements may also be entered into by the
226 authority in connection with, or incidental to, entering into or
227 maintaining any agreement which secures its bonds, notes or other
228 obligations, subject to the terms and conditions of the agreement
229 respecting outstanding obligations. In entering into any such contract
230 or agreement, the authority shall give due consideration to the
231 creditworthiness of the counter party or counter parties, including any
232 rating by a nationally recognized rating agency, the impact on any
233 rating on outstanding bonds or notes of the authority or any other
234 criteria as the authority may deem appropriate, provided the
235 unsecured long-term obligations of the counter party are rated the
236 same or higher than the underlying rating of the authority on the
237 applicable bonds or notes by at least one nationally recognized rating
238 agency. For purposes of this subsection, counter party includes any
239 party providing an unconditional guaranty of the obligations of the
240 counter party under such contract or agreement; and

241 (2) The issuance or carrying of bonds, notes or other obligations or
242 entering into any of the contracts or agreements referred to in
243 subdivision (1) of this subsection, the authority may enter into credit
244 enhancement or liquidity agreements, or other necessary or
245 appropriate agreements, with payment, interest rate, security, default,
246 remedy and other terms and conditions as the authority determines,
247 and the authority may pledge all of any part of the collateral that
248 secures the applicable bonds or notes, to the authority's payment
249 obligations under any contract or agreement entered into pursuant to
250 this subsection. Such pledge shall be valid and binding from the time
251 when the pledge is made; the interest so pledged by the authority shall

252 immediately be subject to the lien of such pledge without any physical
253 delivery thereof or further act, and the lien of any such pledge shall be
254 valid and binding against all parties having claims of any kind in tort,
255 contract or otherwise against the authority or any participating
256 institution of higher education, irrespective of whether such parties
257 have notice thereof. Such lien shall have priority over all other liens,
258 including, without limitation, the lien of any person who in the
259 ordinary course of business furnishes services or materials to the
260 authority. Notwithstanding the provisions of title 42a, neither the bond
261 resolution nor any financing statement, continuation statement or
262 other instrument by which a pledge or security interest is created or by
263 which the authority's interest in such collateral is assigned need be
264 filed in any public records in order to perfect the security interest or
265 lien thereof as against third parties. The authority's obligations under
266 any contract or agreement entered into pursuant to this subsection
267 may be enforced as provided in section 10a-235.

268 ~~[(e)]~~ (f) Neither the members of the board of directors of the
269 authority nor any person executing the revenue bonds or notes shall be
270 liable personally on the revenue bonds or notes or be subject to any
271 personal liability or accountability by reason of the issuance thereof.

272 ~~[(f)]~~ (g) The authority shall have power out of any funds available
273 therefor to purchase its bonds or notes. The authority may hold,
274 pledge, cancel or resell such bonds or notes subject to and in
275 accordance with the agreements with bondholders.

276 Sec. 4. Subsection (b) of section 12-742 of the general statutes is
277 repealed and the following is substituted in lieu thereof (*Effective July*
278 *1, 2007*):

279 (b) (1) In cases where any person or entity is due a refund of state
280 income taxes, and that same person is in default of a student loan
281 made or guaranteed by the Connecticut Student Loan Foundation or
282 the Connecticut Higher Education Supplemental Loan Authority, the
283 Connecticut Student Loan Foundation or the Connecticut Higher

284 Education Supplemental Loan Authority, as appropriate, shall notify
285 the Commissioner of Administrative Services of such default. The
286 Commissioner of Revenue Services, upon notification by the
287 Commissioner of Administrative Services, shall withhold the payment
288 of said refund to such person to the extent of such default, provided
289 the Commissioner of Revenue Services shall notify such person in
290 default that he or she has the right to a hearing before an officer
291 designated by the Commissioner of Administrative Services if he or
292 she contests the validity or amount of the Commissioner of
293 Administrative Services' claim. If the person in default fails to apply in
294 writing to the Commissioner of Administrative Services for a hearing
295 within sixty days of the issuance of notice of withholding, the
296 Commissioner of Revenue Services shall remit the amount of the
297 withheld refund to the Commissioner of Administrative Services, who
298 in turn shall remit the amount of such withheld refund to the
299 Connecticut Student Loan Foundation or the Connecticut Higher
300 Education Supplemental Loan Authority, as appropriate. If the person
301 in default elects an administrative hearing within this time, the
302 Commissioner of Revenue Services shall remit the amount of the
303 withheld refund in accordance with any decisions of the hearing
304 officer or the court upon an appeal of the hearing officer's decision. If a
305 person in default also owes a debt or obligation described in
306 subsection (a) of this section, the refund shall be applied against such
307 debt or obligation before being credited against the amount of the
308 default.

309 (2) The Commissioner of Revenue Services, the Commissioner of
310 Administrative Services, [and] the president of the Connecticut
311 Student Loan Foundation or the executive director of the Connecticut
312 Higher Education Supplemental Loan Authority, as appropriate, on
313 behalf of such corporation, shall enter into an agreement for the
314 crediting of income tax refunds against the amount a taxpayer is in
315 default of a loan pursuant to subdivision (1) of this subsection. The
316 agreement shall include procedures for the Connecticut Student Loan
317 Foundation or the Connecticut Higher Education Supplemental Loan

318 Authority, as appropriate, to (A) notify the Commissioner of
 319 Administrative Services of a default, and the amount of the default,
 320 and (B) reimburse the Department of Administrative Services and the
 321 Department of Revenue Services for any costs incurred by the
 322 departments in carrying out the provisions of this subsection.
